

James R. Krieger Accounting Scholarship

Omaha, NE

Company Overview

The Gallup Organization is an enduring, prospering management consulting company that is committed to helping organizations improve their business performance and develop better leaders, more productive employees, and more profitable customers. Gallup has studied human nature and behavior for more than 70 years. Our purpose is simple: to help organizations and individuals maximize their performance through measurement tools, coursework, and strategic advisory services. Our approach enables us to identify, develop, and implement solutions that align with our clients' visions and strategies. At Gallup, we are just as committed to our employees. We select our associates for their talents, position them for success, and then provide them with opportunities to use their talents every day.

The Opportunity

- Do you aspire to have a career in accounting?
- Have you gravitated toward and earned leadership roles on campus?
- Are you an overachiever, always striving and pushing yourself to do more?
- Are you an analytical thinker with lots of common sense?
- Are you precise, and do you create systems and records that help ensure accuracy?
- Do you build friendships quickly and easily with coworkers and clients?
- Does your personal touch produce the highest quality service?
- Do you want to join a world-class organization where your strengths are maximized daily?

If this describes you, we encourage you to apply for this prestigious scholarship. The James R. Krieger Accounting Scholarship is an outstanding opportunity for exceptional students in the field of accounting.

Gallup will offer one \$1,000 scholarship each semester to a student pursuing an undergraduate or graduate degree in accounting at any Nebraska four-year college or university.

A graduate of the University of Nebraska-Lincoln, James R. Krieger, currently serves as the Chief Financial Officer at Gallup. Gallup is proud to honor this valued associate and UNL alumnus by offering a scholarship in his name to talented accounting students.

Qualifications

- Applicants must attend a Nebraska four-year college or university.
- Applicants must be at the college junior level or higher; applicants must also be interested in an accounting internship or full-time accounting position with Gallup.

Gallup is an Equal Opportunity Employer
